Blues Scale In the A Blues Constructed on "La"

By Al Garcia

When the I, IV & V chords are Dominant (A7, D7 & E7 in this example), the scale creates a Blues sound.

^{str} When the I, IV & V chords are Min or Min 7th (Am, Dm & Em in this example - or min 7th for all), the scale creater of the scale c example - or min 7th for all), the scale creates a Smooth Jazz sound.

^{8fr} When the I, IV & V chords are Relative Major, (Cmaj, Fmaj & Gmaj/G Dom) the scale creates a Southern Rock sound.
